YOUR GOVERNMENT

WHAT THE CITY COUNCIL
IS DOING

The City Council met in regular session Tuesday night with all members except R. D. Brown, secretary and J. C. Joseph, alderman. Dan Tyson acting secretary read the minutes of the previous meeting and they were approved.

The street committee was instructed by the council to haul 100 or more loads of dirt to the city park, on recommendation of Wm. R. Rogers and W. O. Triggs. The same committee was authorized to employ a tree surgeon to treat the trees in the park to save them from decay. Mistletoe will be removed. It may be necessary to get an expert here from A. & M. The Council is determined to save these trees which have been more than a hundred years growing.

The Council instructed the electrical inspector to purchase a meter tester. This is required by all cities under 40,000 population in a bill recently passed by the legislature and signed by Governor Dan Moody. The matter of passing an ordinance to fix the operation of the tester and to provide for a small fee will come up at the next regular meeting. No meter is tested except on complaint of a customer.

The Mayor was authorized by the council to have immediate repairs on the sewage disposal plant. J. F. Brown, contractor, has been employed by the council to do this work. When this work is completed the plant will be in proper condition.

The street committee was assigned street work in that part of town along the Mrs. S. M. Burns property and the residence of Mrs. E. A. Flinn. At the Flinn home the city will construct a drainage culvert to take the water from the street. Streets near O. D. Graham property and others adjacent will be repaired. Mr. Gee in charge of the street work will have a few busy weeks ahead doing this needed work. Mr. Green has been busy with the street men in giving the city a better system of drainage.

The Council re-affirmed its policy of economy for another year in order to get the city in position to do some permanent street paving.

Chief Monta Thomas appeared before the council to ask payment for eleven coats for firemen. The city authorized Mr. Thomas to purchase these coats and the city will pay for them. The firemen have had no coats since the oil mill fire in 1923, having burned up their coats in this fire fighting. The council voted unanimously to serve the firemen and to furnish this equipment.

Repair on the sewer line at the gravel pit was authorized by the Council.

Paul Webb, city attorney, was asked to prepare the ordinance regulating the speed of trains in the city and to provide for watchmen or signals at the crossings. This ordinance will be before the council at the meeting on the first Tuesday in April.

The Texas Power and Light Company was granted the right to maintain and repair the street lights in the park. The easement form submitted by the company was substituted with an agreement to be prepared by Attorney Webb on instructions from the Council.

The Council re-instructed the light committee to confer with the water company about maintaining lights near the settling basins. The city will ask that these lights be placed near the fence surrounding the basement.

Fire threatened destruction for a while Sunday to the home of W. C. Ford in the suburbs of Cameron. The fire was started by sparks from the flue on the kitchen. The flames were extinguished before any considerable damage was done. Chief Thomas and the fire truck responded.

LOVE IS GOSPEL IN MINIATURE SAYS KENNEY; WAS GOD'S COMPREHENSIVE THEME OF REDEMPTION FOR ALL MEN

Love was God's comprehensive theme of redemption for all men and John 3:16, is the gospel in miniature.

Rev. H. G. Kenney of the Presbyterian church on Sunday morning preached from the widely quoted verse in the Gospel of John. In this beautiful summary of the wonderful appeal of that gospel Rev. Kenney said:

"Every great preacher has his favorite theme upon which he loves to dwell. He may, in the course of his ministry, lead us over many strange paths—some of which may be rough and rugged. He may, and often does, carry us with him into the tangled forests where never feet have trodden before. Bringing all changes until we seem to be lifted out of ourselves and carried with the preacher into the holy of holies. Now my friends, John was a truly great preacher, although we do not commonly think of him as such; and his favorite theme was the infinite love of God as revealed in the face of Jesus Christ. And to this theme he returns again and again never tiring, never wavering.

"It is a popular, but shallow, philosophy that tells us men cannot be trusted with a message of God's love, that men must be frightened with God's anger. At bottom, of course, it is all a rejection of Jesus' teaching that love is the mightiest influence for good known to man. Now, John did not hold to any such shallow thinking, nor was he afraid to tell men that God's love is an infinite love, and that it reaches that highest and lowest of men, and encircles the earth. That God's love was for the whole world may have been a pretty hard lesson for John to learn, for we must not forget that he was a Jew. Now, it was not easy for a Jew to believe that God could possibly love the Gentile world. From his infancy he had been taught that God had favorites and that His love centered around the Jewish race, of the "chosen people" as they delighted to call themselves.

But here John rises above all such nonsense.

"He beholds Christ as the World's Savior, and God's love as a Love For Mankind. As he meditates on his favorite theme he catches up into one sentence all that God desires to say to man, and all that man needs to hear from God.

"For God so loved the world that He gave His only begotten son that whosoever believeth in him should not perish, but have everlasting life." What a sweeping statement. Here we have God, Love, Mankind, Christ, Sin, Death, Reconciliation and Everlasting Life held together in one mighty utterance. No wonder it has been called "The Gospel in Miniature". This statement was made possible because the transforming love of God was dwelling in the soul of John. For you will remember that he developed from "a son of thunder" into "The Apostle of Love." Let us try to get at the heart of this mighty utterance this morning.

"First, John here states that it is love at its highest, determined that it will be neither baffled nor beaten. "God so loved", that it is prepared to climb any mountain, or break down any wall.

"Immortal love, for ever full,
For ever flowing free,
Forever shared, forever whole,
A never-ebbing sea."

"During the course of the development of our creeds many theories of Reconciliation have been set forth. Doubtless in each of them there is a grain of truth. But there is no single statement big enough to carry the thought here set forth by the Apostle John. In the Bible there are three views set forth. These are the Priestly, or sacrificial views, the Prophetic, or ethical view, the Christian or the evangelical view, which sets forth Reconciliation by the transforming power (continued on page four, this section)

St. Monica's Church Plans To Be Helped By Gifts From People

Following the announcement last week of the plans for a greater St. Monica's church, it was learned definitely this week that a number of large and substantial donations will be made.

The Herald offered its services in an appeal for this worthy enterprise of rebuilding the church and Mayor Davis joined in the appeal.

Since the publication of the appeal last week The Herald has been notified of a number of gifts either made or to be made and this information is gratifying.

ELM RIDGE vs. ST. ANTHONY'S

The fandom of base-ball players was in high gear last Monday afternoon at the Elm Ridge school, when a baseball game between the former and St. Anthony's (Catholic School) of Cameron clashed in a game that was full of thrills.

The final count was St. Anthony's 15 and Elm Ridge 2. Two double plays by the Elm Ridge boys, and heavy hitting of three boys of the St. Anthony's school featured the game.

The St. Anthony's school is a private school under the supervision of the Sisters of Divine Providence and Elm Ridge is taught by Mrs. W. J. Parma and Miss Florence Hilliard.

The two schools will have another game in the near future.

AN APPRECIATION

We wish to express our sincere appreciation to the Cameron Fireboys who so quickly and willingly responded when our house caught on fire last Sunday morning, and also we want to thank the telephone girls for their prompt service. Because of your faithfulness, we only suffered a small loss.

Sincerely,
Mr. and Mrs. W. C. Ford.

AMNESTY BILL UP TO GOVERNOR DAN MOODY

LAW TAKING AWAY JIM FERGUSON'S POLITICAL RIGHTS
PASSED

Austin, Tex., March 15.—A 20 day vigil for proponents of the Love measure rescinding political amnesty granted former Gov. J. E. Ferguson by act of the 39th legislature began today as the bill reached Governor Dan Moody's desk shortly before noon.

Moody has 20 days excluding Sundays, in which to take action on the measure, Carl Phinney, his assistant secretary said. If he fails to approve or disapprove it within that time, the bill automatically becomes a law.

The house late last night passed the Love bill by a vote of 78 to 25, with the use of surprise tactics under special agreement abrogating the rules.

The question of whether Moody will sign the bill, which would take away political citizenship from the husband of former governor Miriam A. Ferguson whom he defeated for re-election, is an absorbing one here.

Many believe he will sign, others predict a veto and others think he will allow it to become a law without action on his part.

The young man who defeated the first woman governor of the state, has in his hands the future political and public life of the husband of that governor. And the question which interested the capital today was whether Moody, the political nemesis of Ferguson, would sign the bill designed to prevent the former governor from holding elective office in Texas. Mrs. Ferguson two years ago signed the bill which the present measure repeals.

FARM WORK DELAYED

Farm work has been delayed in Milam County by excessive rainfall during the past several weeks. Practically no corn or grain of any kind has been planted and a large per cent of the lands have not been broken. Clearing weather, however, finds the farmers in the fields preparing the soil.

\$883.50 DISTRIBUTED BY K. P. FOR CHARITY

NATIONAL KNIGHTS PYTHIAS
HAVE BIG RECORD ALSO
IN BENEVOLENCE

More than \$120,000,000 has been distributed by the Knights of Pythias during the last half century to care for Pythian widows, educate orphans, provide comforts for aged and invalid members and to meet the needs of communities devastated by flood, storm and mine disaster. This record which discloses the appropriation of more than \$2,000,000 annually, was compiled from reports made to the Supreme Lodge covering five decades of Pythian activities.

When this report was received by the local lodge, Chancellor Commander Jake Posey, announced that the records of Milam Lodge 125 showed a distribution of \$883.50 during the last few years to welfare activities.

Analysis of the report shows a large part of this amount raised and distributed by the Order came from two sources. More than \$60,000,000 was paid by the Insurance Department to widows and orphans of members, the Subordinate Lodges disbursed over \$40,000,000 for relief of aged and dependent members, approximately \$5,000,000 was used to succor stricken communities stricken by storm, earthquake, mine disaster or epidemic, the building program and equipment of Pythian homes required \$14,000,000 and nearly a million dollars has been raised to aid young men and women to obtain college training and for other welfare purposes.

In analyzing this welfare program no account was taken of contributions made by lodges to civic and community betterment, or to returns made to members of the Insurance Department through monthly waiver payments. In the last twenty years the Department has waived twenty-six monthly payments and returned to members more than \$5,000,000. Many lodges have fostered village libraries, others have improved and donated parks and playgrounds and given support to Red Cross, Near East Relief and other national charities. Discussing the adjustment of the Pythian Order to community enterprise, Supreme Chancellor Richard S. Witte, said:

"No worthy movement in any community has been denied the sympathy and support of the Pythian Lodge. Every worth while endeavor for the betterment of living conditions, to make a safer environment for home development or to provide pleasures for the family, has had a worthy champion in the Pythian Lodge. In peace and in war this broad appreciation of community service has manifested itself in practical action. The Pythian Order was 100 per cent in the purchase of war bonds; its contribution to aid in such calamities as the Johnston flood, San Francisco earthquake, Utah mine disaster and the hurricane districts of Indiana and Illinois, was immediate and effective and proof of the national vision of the Pythian family. Our record is notable and demonstrates that fraternity makes men ready to meet every demand for personal service or monetary aid to meet an expediency either at home or anywhere on the American continent."

Episcopal Minister Here Next Week

Considerable interest attaches to the announcement by Rev. J. P. Love, pastor of the Episcopal church, of the sermon here Sunday, Monday and Tuesday by Rev. W. D. Bratton.

Rev. Love has an announcement elsewhere in this edition and is taking steps to give the noted Episcopal speaker a large hearing.

FUNERAL HELD FOR J. E. RENO, PIONEER

RESIDENT HERE 50 YEARS, NATIVE
SOUTHERNER DEAD
AT EIGHTY-ONE

J. E. Reno, 81, native of North Carolina and resident of Cameron for 50 years, died at his home here at 9:30 o'clock Tuesday night following a long period of declining health.

Mr. Reno was a Confederate veteran, answering the call from the fast thinning ranks of the men who bore the sacrifices of the lost cause in the sixties.

Death came to Mr. Reno peacefully with the physician, Dr. Sapp, his daughter, Mrs. Walter Sharpe and Mr. Sharpe, Mrs. George Drury of Bishop, daughters at his bedside.

Funeral services were held at the Methodist church Wednesday afternoon at 4:30 o'clock with Rev. R. S. Marshall, former pastor, assisted by Rev. L. J. Power, conducting the rites. The Coleman-Eplen undertaking company directed the funeral arrangements with interment in Oak Hill Cemetery.

James E. Reno was born in Canton, North Carolina, July 6, 1846, the son of Mr. and Mrs. Henry Reno, pioneers of the early civilization of North Carolina. He died on March 15, 1927 and in July of this year would have been 81 years old.

He is survived by his daughters, Mrs. Walter F. Sharpe of Cameron and Mrs. George Drury of Bishop; two sons, Fred Reno of Norman, Oklahoma and James Reno.

The active pall bearers were Hubert Hefley, Roy Griffith, John Mangum, C. H. Pollard, Grady Stidham and Sam McDermott.

The honorary pall bearers were: Robert McLane, W. H. Triggs, R. H. McLane, T. C. Stafford, Sam Houston, Dr. M. C. Sapp, R. S. Boykin, Robert Todd, J. K. Freeman, R. L. Batte, H. M. Hefley, Jeff T. Kemp, W. A. Heath and R. B. Rylander.

On account of the limited time only a brief mention can be made in this issue. A complete account will appear next week. Mr. Reno was long identified with the business life of Cameron and was a property owner, as a pioneer realizing the future development of the country here, invested in properties.

He was universally loved by his friends and those who claimed his acquaintance.

The Herald extends its sympathy to the bereaved family.

E. L. Brod has been notified by the Livestock Sanitary Commission of his re-appointment as inspector for Milam County.

Mr. Brod is the only Ferguson supporter so far to be re-appointed to succeed himself, so far as we know. Mr. Brod was notified this morning of his re-appointment.

Mr. Brod has given the state good and efficient service and the Livestock Commission deserves the thanks of the people for his re-appointment.

HASSELL, APPROACHING ELECTRIC CHAIR WRITES HIS SON TO LIVE RIGHT; READS BIBLE AND PRAYS

Reading the Bible every day and declaring he believes God has forgiven his sins because he has not always been a bad man, Geo. J. Hassell has written his son a letter giving good advice to the boy.

(The Merkel Mail)

The following letter from George J. Hassell, convicted of slaying thirteen persons, and sentenced to die in the electric chair, to his son, Mr. James Delbert Hassell, was handed to this paper by Mr. Ed Rister. His sister, Miss Agnes Rister, obtained a copy of the original letter from a friend who was asked to deliver the letter. The letter follows:

Huntsville, Texas, Feb. 6, 1927.
My Dear Beloved Son:

Please read this letter and remember you have got a father that has loved you all these years. But by the time you get this letter, he may be in the world beyond.

While you have never known me, I have shed lots of tears for you, and

your mother. I do hope you will stand by her, to the last, for my dear boy, you only have one Mother, and she is the best friend you will ever have.

Well I felt like I must write you a few lines before I go. Listen now Delbert, remember there is only one way that will pay in this old world, and try to live a most straight and forward life, and make your word your bond. The right way is the only way, and love and respect your mother and stay clear of bad company and above all leave whiskey alone. Be braver than your father was in that respect, always be able to say get thee behind me Satan.

Ask your mother about your dad. She will tell you he was a kind hearted husband and father, she has seen me shed tears a thousand times. I have not always been bad at heart, and listen Delbert you have one of the dearest aunts on Route 3, box 84, Aunt Dora Watson. And remember she loves you, and will always be glad to hear from you, and give you any good advice that she can.

Now Delbert, I am on my bended knees praying that you will live what is right, and never go astray with bad company and whiskey, like your father did in his young days. Oh, if you could only see what it means! Well, Delbert, while I am sitting here in my death cell waiting for the 25th of this month to come, and then the electric chair to claim me, I am praying and I feel that I will have a chance at the morning of the resurrection, while the crime is the worst in history I have not always been bad at heart, and I feel that God has forgiven.

But please, oh please, leave bad company and whiskey alone, and love your mother and aunt till the last. Well I am glad that your grandma Hassell never lived to see this, for it would break her dear old heart. Well I have sinned and the Bible says the wages of sin is death, so I will have to pay but for God's sake and for your dear mother's sake and your own sake and for the sake of humanity, live right and be a man.

Wherever you go, and whenever these temptations come up, remember

BAPTIST CHURCH NEWS

\$1372.70 FOR CONQUEST CAMPAIGN

Up to Monday afternoon there has been \$1,372.70 subscribed on the Conquest Campaign. And at this time \$740.70 has been paid in and we are forwarding a check to Dr. Groner for the amount paid in.

It is most certain that this amount will be increased to \$1500.00 which will not be a bad showing for this church. This \$1500 plus the \$3000.00 that we will send for denominational work will make us \$4,500.00 for this year which is about \$7.50 per capita for our entire church membership, that is counting resident and non-resident as well. And if the Baptist of Texas will do that much this year we will raise approximately four million dollars.

SUNDAY SCHOOL STUDY COURSE

Mr. Black is meeting a splendid class each night of this week and is teaching, "The Sunday School Normal Manual." This week he is teaching the first division, this same division has been covered by a class in the past and they will be ready to join the class next week as he goes through the last division. It ought to be that at the close of this class, Mr. Black

what Christ said, "get ye behind me Satan," for it is always Satan that brings these temptations in some way.

Well, my dear son, I will close for this time, but I want you to know, while you have not had a father's care all the time, you have had a father's love, for I have never ceased to love you and your mother.

While there has been a great wrong done you and your mother, and I have forgiven everybody, I want you and your mother to do the same. Hoping that you will read this, and understand it with the same spirit that I write it, I will close for this time, with love to you and a prayer on my dying lips for you and mama.

Your loving father,

George J. Hassell.

P. S. Read St. John 3:16. I get lot of comfort from it.

could give out diplomas to a large number, twenty-five to forty. And if he does it will make it possible for us to reach the standard of Excellence. Without that is done we can not hope to reach the Standard of Excellence and the responsibility will fall upon the teachers and officers.

306 IN SUNDAY SCHOOL

On last Sunday we had an increase of 28 in our Sunday School bringing us above the 300 mark. Surely we ought never to fall below the 300 mark but unfortunately we do, but last Sunday brought our attendance up to 306 giving us an increase over the Sunday before of 28.

We ought to be able to make an increase of ten to twenty-five per Sunday, for the next six weeks and then hold that, all through the summer and for the year.

The religious census has just been taken and we find a good number of prospects and possibilities, and we are confident that our Superintendents, teachers and pupils are going out as it is our opportunity to enlist every one who is not now in Sunday School, to enlist them in Sunday School attendance.

YARRELTON CHURCH TO CALL PASTOR NEXT SUNDAY

It was the privilege of the pastor of the First Church, Cameron, to preach at Yarrelton on last Sunday night. There was a large crowd present and a splendid group of young people. One entire side of the house was well filled with fine young people. The pastor presented the conquest campaign and got splendid response to the call.

It was announced at the close of the service and urged that the membership of the church be present next Sunday morning, at which time they want to get together on the call of a pastor. This church has been pastorless since Brother Raley resigned not so long ago after doing a splendid work as pastor for some time.

MILAM COUNTY BAPTIST BOARD MET LAST SATURDAY, CAMERON

There was a splendid meeting of the Executive Board last Saturday at the First Baptist church Cameron. The finances of the Association were discussed thoroughly and there was a unanimous opinion on the part of every member on the board that the thing that we must do is to raise some cash.

Some time ago in a Board Meeting at Little River there were quotas worked out for each church and our hope is now that every church will accept its quota and raise one-third of it in cash by June 1. The corresponding secretary was asked to mail out these quotas to the various churches.

QUOTAS FOR DEPARTMENTS

In last week's Messenger we gave the quotas as were worked out by the Superintendents of the various departments: General Superintendent, Educational Director and the Pastor. These quotas are suggested to the departments and we are asking that they endeavor through the month of April to raise the amount set opposite their name. It was not exactly clear last week as there were some errors in the way it was arranged, the pastor was out of town and did not get to read the proof on it, and therefore there is a slight correction to be made. It will be necessary for the Superintendents of each department to call a meeting of their officers and teachers and at least work out a quota for each class, and we will keep this before the people and through the month of April we will raise the required amount of money to set aside the debt on the Sunday School Annex.

Following are the quotas:

Adult Department	\$125.00
Senior Department	80.00
Intermediate Department	35.00
Junior Department	40.00
Primary Department	15.00
Beginners Department	8.00
Cradle Roll Department	5.00

We will be publishing an honor roll of the Departments that reaches their goal.

You will remember that you will have four Sundays for the raising of this amount of money, and the entire offering each Sunday morning will be applied on your quota.

Good Health Requires Good Elimination

TO be well, you must keep the
blood stream free from impur-
ities. If the kidneys lag, allowing
body poisons to accumulate, a toxic
condition is created. One is apt to
feel dull, languid, tired and achy.
A nagging backache is sometimes a
symptom, with drowsy headaches
and dizzy spells. That the kidneys
are not functioning properly is often
shown by burning or scanty passage
of secretions. If you have reason to
suspect improper kidney function-
ing, try *Doan's Pills*—a tested
stimulant diuretic. Users praise them

LOVE IS GOSPEL IN MINIATURE SAYS KENNEY; WAS GOD'S COMPREHENSIVE THEME OF REDEMPTION FOR ALL MEN

(continued from page 1, this section)

er of an infinite love at work in the human heart. Here John blends them all into one glorious view of an all conquering love, "God so Loved."

Some time ago after preaching on "Predestination as viewed in the Light of God's Love," a preacher said to me, "I kept looking for you to say that predestination is God's love at work determined to save us from the devil." And truly, my friends, it is just that. Who, then can give us the measurements of that little word "so." It carries with it the very throbbing of the infinite heart of God. Perhaps George Matherson came nearer measuring it than any other.

"O love that will not let me go
I rest my weary soul in Thee;
I give Thee back the life I owe,
That in Thine ocean depths its flow
May richer, fuller be."

"Surely the intensity of God's love is explained by the eagerness of His desire to win back to spiritual health His sin-sick and wayward children.

"And then John states clearly enough that the highest love is not only giving, it is also forgiving. Let it be shouted from every house-top, so that a busy world may hear, that the gulf between God and man is not the result of God's anger. It is the result of our sin. In human experience we seldom find the guilty party swift to acknowledge or confess his fault. He is nearly always stubborn and unbending. The offended party often with seeming justice and much show of reason, offers to forgive if the offender will apologize. And this attitude nearly always widens the breach. To John the divine way of Reconciliation was a source of constant wonder. The offended party made the first move, and that without a demand for an apology. Now, it seems to me that if we could only adopt God's way in our dealings with our fellowmen we would have a much better world.

"We have given our wisdom (which carries with it the Shylock idea of "a pound for a pound") a long, long trail, and where has it landed us? How any man can face the tragedy of the past and present, and the terrible rumblings of the future, and call our civilization a success, is more than I can understand. The time is more than ripe for Christian men and women to strike out boldly in following the divine way of love, love that gives and forgives. A love which sweeps away barriers of language, creed, class and every color. The world

eagerly awaits a force like that. And surely my friends, it can produce no more criminals than our way has produced.

"Lastly, it is through Christ that we gain access to God. For "everlasting life" is nothing less than God-filled and God-inspired life. Like Thomas of old we all find that we can not stand for long in the presence of Christ without crying out, "My Lord, and my God." The story was told by D. L. Moody of a father who entered his cellar by a trap door. His little girl looked into the darkness; but she could not see her father. At her fathers command she jumped into the darkness, no, that is not right, she jumped into her fathers arms. And though you and I cannot see God, we can hear the voice of Christ, and at His word of command we venture all and leap in heart and life to God, "everlasting life." Nor is this a passing fancy of the emotional nature. It is everlasting in its truest and highest sense. God's care never fails and is unbending. As a closing word take these lines from the gentle Quaker poet, Whittier:

"Yet in the maddening maze of things
And tossed by storm and flood,
To one fixed trust my spirit clings,
I know that God is good.

I know not what the future hath
Of marvel and surprise,

Assured alone that life and death
His mercy underlies.

And so beside the Silent Sea
I wait the muffled oar;
No harm from Him can come to me
On ocean or on shore.

I know not where His islands lift
Their fringed palms in air;
I only know I cannot drift
Beyond His love and care."

"For God so loved the world, that He gave His only begotten son, that whosoever believeth on Him should not perish but have everlasting life."

'Thought for Today'

Carlyle who has been referred to as "a trip-hammer with an aeolian attachment," was a rugged, according to legend in his attire as he was in his manner. At least an English "cabby" found that so. And so he remarked to a fellow driver, "Quer 'at that fellow wears." "He may have a queer 'at," replied his partner, "but what would you give for the 'ead-piece inside of it?"

That "queer" neighbor of your may have a thinking head and a bank account. And it is his courage and his indifference to what you think that makes him successful. He wastes no time in wondering—he dreams his dreams and works towards them. In his apparent "queerness" he preaches the doctrine of Success. It is the idea INSIDE the hat, not the hat that counts.

ST. PATRICK'S SUNDAY SCHOOL CLASS PARTY

Friday evening, March 11th in the basement of the Methodist church Mrs. R. H. Johnson entertained her Sunday School class and their guests with a delightful St. Patrick party.

The room was very attractively decorated with penants, festoons and green and white crepe paper which had been carefully planned by their splendid teacher and hostess. An entertainment program of games and contests suggestive of St. Patrick was thoroughly enjoyed during the evening.

The Vice-president of the class, Miss Cornelia Esslinger and her escort, Frank Cheeves led the "Grand Snake March" with Mrs. Arthur Baskin Jr., at the piano. During the march they received party caps and paper ribbons; the one most becomingly attired in these received snake souvenirs.

They exchanged partners for a sail to Ireland and return, when the world record was made by Harry Tag and Miss Murvia Thompson in twenty three seconds. Souvenirs were frogs. Next Irish potatoes and tooth picks provided fun in making animals. Misses Frances Austin and Katherine Ledbetter each received a basket of "candied potatoes."

Horseshoes, Shamrocks, pipes, hats, wishbones and St. Patrick himself were hidden for the Good Luck Hunt. The couple finding the most articles was given a green bead necklace and a Jade set stick pin. They were received by Miss Dink Baskin and Walton Esslinger.

Judges in the games and contests were Arthur Baskin Jr., Mrs. R. B. Rylander, Mrs. Power, Mrs. Lena Baskin and Miss Willie Heffey, who also assisted the hostess in serving brick cream with Shamrock center and white leaf cake. Plate favors were silken Shamrocks.

During the refreshment hour Miss Dorothy Blaylock gave a clever Irish reading.

Welcome guests for a short while were the pastor, Rev. Power and Presiding Elder, Dr. L. B. Elrod.

FORD SALES IN 1926

36 PCT. OF VOLUME

GRAM'S REPORT SHOWS THAT 1,189,004 FORDS WERE SOLD DURING 1926

Detroit, March 15.—Henry Ford sold 1,189,004 model "T" passenger cars to the American public in 1926. The industry piled up a total of 3,299,933 car sales.

These facts are revealed through the most accurate data available—actual sales records with the secretaries of state throughout the nation, according to B. H. Gram, of Gram's Automotive Reports, national automotive authority.

Compilation of the figures in these reports would indicate, despite the many stories to the contrary that the Ford Motor Company is still doing a healthy business. In fact, its percentage of the total volume of actual sales was better than 36 per cent.

Formidable Factor

While it is true that Ford sales fell off from the 1925 mark, the fact remains that Ford continues to be a formidable factor in the manufacture and merchandising of popular-priced motor cars.

The 1926 sales figures of the company compared with the total of 1,275,313 for 1925, show that there was a loss of \$6,369 sales. This however, far from being as significant as reports would lead one to believe when total volume is borne in mind, together with the unfavorable conditions the industry, as a whole, was confronted with during the latter months of the year.

Late August and early September found the effects of a poor agricultural season being felt throughout the country, and naturally, the automotive industry—most sensitive of all general business barometers—began to show signs of a slump. After experiencing the most successful three-quarters in its history the succeeding months of the year continued to reflect the slump period to such a degree that the industry was barely able to pass its 1925 record.

Chevrolet Sees Big Year Ahead For Auto Output In America

An optimistic note on the spring business outlook in the automobile industry discounting the 'saturation point' bugaboo and pointing out favorable conditions throughout the country, is sounded in a statement just issued by William S. Knudsen, president and general manager of the Chevrolet Motor Company.

"In forecasting a continuance of good business prospects for the Spring months, I am perhaps influenced by the aspect of our own sales which have never been better in the history of the company," said Mr. Knudsen.

"An evidencing steady growth in automobile production during this period, statistics issued by the United States Department of Commerce for the last three years covering the six months from January 1 to June 30 are interesting. The figures for

these years are: 1924, 2,051,561; 1925, 2,173,525; 1926, 2,459,780.

"With these figures showing business on the upgrade generally, there are only two reasons which could be advanced for a possible decrease in sales—first, reaching the so-called 'saturation point' and second, a general decline in business producing a reactive tendency in buying.

"No one has ever been able to advance any reasonable formula for figuring the 'saturation point.' The 'two or more' car trend is so pronounced that former theories are being constantly upset. If we knew the total area which would be occupied if all cars produced were running within that area, making it impossible for this space to accommodate any more cars, some basis would be available for figuring 'saturation.' But such a situation is impossible—and we may leave the 'saturation point' for the future to determine, inasmuch as the human mind will find it possible to open up any bottle-neck of traffic congestion which might develop.

"As for the general trend in business, country-wide reports show the usual spring activity is opening-up twenty days ahead of schedule. With the winter fairly mild, marked only by severity in spots, rapid acceleration of municipal and private construction operations indicated. Farming should start early due to the good weather and manufacturing operations generally are in excellent condition.

"Rapid turnover at smaller profits is the keynote throughout industry as reflected by our country's business. With this policy can only come a demand for more transportation.

"The shippers are demanding better freight service; the business traveler is demanding better train service and the automobile user is demanding better service of his car, and the firm

that is in a position to assure the buyer this better service can have nothing but bright prospects for the spring of 1927."

RAIL MEN ON TOUR OF I. & G. N. LINES

MISSOURI PACIFIC OFFICIALS VISIT THORNDALE ON GOOD WILL TOUR TUESDAY

Thorndale enjoyed a visit of a trio of Missouri Pacific Officials on Tuesday of this week in the persons of J. T. L. Brooks, Superintendent of the road with headquarters at Palestine; J. W. Bayars, Commercial Agent of Waco; and J. C. Carter, the personal representative of H. R. Safford, vice-president, with headquarters at Houston, Texas.

These gentlemen are making a trip over the I.-G.-N. Lines, which, along with the Gulf Coast Lines, in South and Southwest Texas, is included in the great railway system known as the Missouri Pacific Lines. And the mission of their visit here and elsewhere on this trip is to get better acquainted with the people and learn at first hand the differing needs of each section of the vast country served by these lines. It is a big job they have assigned themselves. They know this, and they also know that the fruit of their effort in this behalf will repay many fold in that commodity which money cannot buy—in the good will of the people they are trying to serve adequately and well under the varying condition which agricultural sections experience from time to time.

Their visit to Thorndale, therefore, is incidental, but the genial good nature of each of the trio was so wholesome and apparently natural that those of us who made their acquaintance on this trip were made to feel that they were especially interested in Thorndale people and were anxious to render our community any favor within their power. They said they were willing to co-operate with the people here and elsewhere for a mutual benefit.—Thorndale Champion.

Good records have been made by my hens for a number of years, for instance in 1925—4 hens laid 1040 eggs for the year.

I have spent years of breeding egg laying quality into my flock and before you pay out your hard earned money for eggs or chicks get my prices—this quality costs you very little more than the cheaper kinds.

VARNER-THOMAS

One of the loveliest weddings of the season was solemnized at the beautiful new bungalow home of Mr. and Mrs. H. L. Taylor in Houston on the night of February 22nd, when their nephew, Gerland R. Varner and Miss Myrtle Mae Thomas of Gause were united in marriage. Rev. A. Frank Smith, pastor of the First Methodist Church of Houston read the impressive ring ceremony.

"Oh, Promise Me" was sung in duet by Mrs. Chas. K. Hardy, contralto, and Mrs. Robt. E. Doty, dramatic soprano, their voices blending perfectly.

The home was decorated in a pink and white theme with tall floor baskets of carnations gracing the rooms and arranged against a greenery background to simulate an altar at which the vows were pledged.

At the first strains of the beautiful wedding march, played by Mrs. Chas. Hardy, the bridal party came softly down the stairway. Little Lillian Taylor, the winsome flower girl carried a beautiful bouquet of sweet peas. Little Norman Atkinson Jr., son of Judge and Mrs. Norman Atkinson, carried the wedding ring on a snow white satin pillow.

As the bridal party reached the al-

tar Mrs. Robt. E. Doty, sister of the groom, sang very softly and sweetly that beloved of all wedding solos, "I Love You Truly." The bride formed an ideal picture in a smart crepe frock of crushed rose and carried a shower bouquet of pink rosebuds and sweet peas.

Both bride and groom are prominent young people of Gause, where the groom is a prosperous young business man. Just before going away an informal reception was held.

Mr. and Mrs. Gerland R. Varner left immediately for a bridal tour of the Rio Grande Valley. They will be at home after a few weeks at Gause, Texas.

Out of town guests were Mr. and Mrs. Allen Varner, father and mother of the groom, Gause; Miss Hazel Thomas of Gause; Mrs. Walter Stevenson of Kaufman, sisters of the bride; Mr. and Mrs. C. Varner, Clyde Cox of Humble; Mrs. Walter G. Fowler of Richmond; Mr. and Mrs. Thomas E. Evans of Bryan; Mrs. J. D. Peoples of Milano.

CONOLEY-WUENSCHÉ

Miss Virginia Conoley and Eddie Wuensché surprised their many friends on Monday of this week by

going to Georgetown and being married without their most intimate friends knowing the purpose of the trip. They returned to Thorndale the same afternoon and will make their home temporarily at least with Mr. Wuensché's mother, Mrs. Mary Wuensché.

The bride is a daughter of Mr. and Mrs. Eck Conoley living south of town and at the time of her marriage was a student in the Thorndale High School, boarding and rooming with Mrs. J. C. Howe in Thorndale. Eddie is an auto mechanic and is employed in the Ideal Garage, owned and operated by his brother, C. A. Wuensché. The Champion wishes the happy young couple a happy married life.—Thorndale Champion.

MONDAY NIGHT BRIDGE CLUB

Miss Jennie Brown was hostess to the bridge club at the attractive new home of her parents, Mr. and Mrs. J. F. Brown, on Monday evening.

Green, suggestive of the approach of St. Patrick's Day was the chosen color and was very effectively carried out in every appointment. After a series of delightful games were enjoyed high score was won by Mrs. Bert Miller, a box of assorted bath salts. Mrs. Bob Brown received consolation, bridge indicator pencils.

The hostess served green and white brick cream and angel cake squares. The favors were St. Patrick symbols.

Mrs. Bob Brown was a guest of the club.

PRESBYTERIAN AUXILIARY

The Presbyterian Auxiliary had an interesting meeting at the church Monday afternoon. A short business session was conducted by the president, Mrs. Ben Atkinson, followed by a Bible lesson ably led by Mrs. H. G. Kenney. Miss Woodson, who is conducting a Bible Class at the Presbyterian church this week, made a very inspiring talk.

COUNTRY CLUB PARTY

One of the outstanding social affairs of the week was the delightful bridge party at the Country Club on last Friday afternoon with Mesdames C. W. Bradbury and John C. Young as hostesses.

The guests were greeted by the hostesses and presented to the out-of-town guest, Mrs. Alfred Bradbury of Franklin, sister of Mrs. C. W. Bradbury. Twelve tables were arranged amid an ideal Japanese scene for the merry group of players. Floor lamps and Japanese lanterns illuminated the spacious club room where the shades had been drawn to effect darkness.

After a spirited series of games were enjoyed high score was won by Miss Evelyn Blair, a Japanese basket. Consolation was given to Miss Nadine Bragg, a Japanese plaque.

Misses Corrie Collier, Dorothy Blaylock, Katharine Atkinson and Ethel Collins, dressed as Japanese maidens, passed delicious confections to the guests, and assisted the hostesses in serving refreshments of Angel Cake squares topped with heavenly hash, and coffee, which was attractively arranged in red crepe covered plates on bamboo trays centered with a begonia pot plant.

Mrs. Alfred Bradbury of Franklin was an out of town guest.

BAPTIST MISSIONARY AT BEN ARNOLD AND DAVILLA

On last Sunday Baptist Missionary J. H. Garrett preached to two good audiences at Ben Arnold. The Ben Arnold Baptist Sunday School is in the midst of an attendance contest and the Sunday School attendance is

building rapidly. This church will likely call a pastor in the near future.

The first few nights of this week the Baptist Missionary was at Davilla in some inspiring get together services. This church expects to call a pastor the first Sunday in April.

The Lilac Baptist church has just called as pastor Rev. J. L. McRae, a young preacher who lives in the Lilac community. Mr. McRae has not yet been ordained, but will be ordained in the near future and will doubtless make the Lilac church a good pastor.

MRS. ANNIE SCHLEMMER

Mrs. Annie Schlemmer, 60, died at her home near Splawn Sunday night, March 13, 1927, following several weeks illness.

Mrs. Schlemmer was born in Germany in 1867 and came to Texas in 1887. She was married to E. Schlemmer in 1890. To this union eleven children were born, nine of whom survive.

Mrs. Schlemmer was a member of the Lutheran church thirty-eight years and had lived a devoted christian life.

A short funeral service was conducted at the residence by Rev. E. S. Hutcherson, pastor of the First Baptist church of Cameron and the Lutheran pastor at Vogelsang; the services were concluded at the cemetery, with Coleman-Eplen, undertakers, in charge.

Miss Jennie Shirley and Miss Ruby Reed of Rogers visited relatives here for the week end.

Home Mission Appeal
Made By Baptist Of
Texas in Campaign

The greatest challenge ever made to Southern Baptists comes from those who are on the field and know the vital need of Home Missions and the sacrificial gifts of our Home Board missionaries. These ought to challenge us to meet them with gifts worth while to Home Missions during the March Week of Prayer.

Study prayerfully the sacrificial gifts below in order to provide for another needed worker and leader among the Mexicans when it was found that the budget for this Department appropriation \$121,500 had been exhausted. May the Holy Spirit lead you to act as you read.

To provide for six months' salary of C. D. Daniel, the following brethren raised the amount needed out of their meagre salaries:

Rev. Paul Bell, Bastrop, Texas, \$50;

Rev. L. Ortiz, Uvalde, Texas, \$10; and the following \$5.00 out of their monthly salaries, Rev. D. Ruiz, San Angelo, Rev. E. G. Dominguez, San Antonio, Rev. V. R. Gonzales, Wichita Falls, Rev. J. H. Lopez, Pearsall; Rev. L. E. Garcia, Laredo; Rev. Cayeto Garcia, Del Rio; Rev. D. Delgado, Corpus Christi; Rev. B. Diaz, Marlin; Rev. F. A. Hernandez, Cameron; Rev. E. V. Rodriguez, Kerrville and Rev. Wm. Ibarra of Bryan.

Rev. Geo. B. Mixim, Brownsville, wrote: "Take \$35.00 out of my pay check this month for Dr. Daniel's salary."

Rev. D. Ruiz, San Antonio, sent a check for \$50.00 to be applied in the same way.

Other unsolicited gifts: Surprise of love and devotion came in the December mail for the First Mexican churches at San Antonio \$50.00; Laredo \$7.00; Bryan \$6.00; Cameron \$10.00; Harlingen \$15.00; Uvalde \$10.00.

Out of their poverty, with large families, these good people express

their love and loyalty to our work.

The First Italian church, Tampa, Florida, send \$50 as a special offering.

The Indians are showing their appreciation of the service the Home Board is rendering with a gift from the Chillico B. Y. P. U. of \$50.00. Osage Church No. 1 with a gift of \$54.00. This later church is also paying for the lot on the Ponca Reservation for their new Mission amounting to \$200.00. The Berea Indian church sends \$28.50.

Miss Mary Kelly, our Missionary at Christopher, Illinois, in November wrote us: "I want my salary for this month to be divided as follows: To State Missions \$26.00; Foreign Missions \$26.00; Home Missions \$28.00;" total eighty dollars, her entire salary for that month.

Let our women with Thank-offerings during the Week of Prayer meet these challenges of loving sacrifice and pay the debt on the Home Mission Board.

THE BISHOP'S CRUSADE

March the twentieth, next Sunday, begins for Cameron another brief period of closer contact with that great movement toward consistent Christianity, the Bishop's Crusade.

The Episcopal congregation welcomes the coming of Rev. William D. Bratton, as a very real opportunity for us all.

Quoting Bishop Darso, who is the national chairman of the Crusade, we feel that we may well expect definite uplift under such leadership: "Is the Crusade to be simply a mighty gesture, or is it to result in experiences so real and significant that men will be constrained to go forward in Christ's name, to do Christ's work in Christ's way?"

"There can be no substitute for the devotion and loyalty and consecrated service of that great body of men and women and boys and girls who make up the lay membership of the church. "In the study of His own blessed Word, you must find the way to a larger life; by earnest and continued prayer you must keep the channel open between your willingness to serve and God's power to make your service worth while."

Continuing, Bishop Darso writes of the encouraging response: "From Maine to California, Texas to Minnesota, the messages are coming and their uniformity would be monotonous were it not for the significance of this country-wide awakening of spiritual interest."

On next Sunday, services at 11:00 and 7:30 o'clock.

Monday and Tuesday at 10:00 and 7:30 o'clock.

All who will come will be cordially welcome.

JACK TAYLOR

Jack Taylor, former Yoe High School track and discus thrower, will supervise and officiate at the track meet in the interscholastic meet here on Friday and Saturday, March 18 and 19.

Jack is now a student at Baylor University at Waco. He has been a track star for the university and also with the Bear football team. Jack came into prominence as a discus thrower while in Cameron school, attracting state and national reputations. He won for the state and was second in the meet at Chicago in 1925 when he tried out for the Olympic games in Paris.

Local athletes will welcome the former star who is to officiate here on the two days of the meet. Jack starred in the football game against Notre Dame in 1925 and was a dependable man all along for Coach Frank Bridges.

He is a track star as well as a discus thrower and is an all round athlete. He is the son of Dr. and Mrs. G. B. Taylor of Cameron.

Luther Edmonds Trial

The body of Miss Bartek was found by night officers in the room of Edmonds who later is said to have made a confession.

E. A. Camp, attorney at Rockdale, has been appointed to defend Edmonds by District Judge John Watson.

Rockdale-Minerva
Oil Association
Is Organized

The Rockdale-Minerva Oil Association is the name selected by the oil men at an organization meeting held here Saturday, February 26, at the Citizens State Bank. After the constitution had been adopted, plans were then discussed for the further perfection of the Association, and Saturday, March 5, was set as the date of the next meeting. The session will be held in the Citizens State Bank.

Members of the board of directors of the association are: W. E. Gaither, J. W. Garner, E. H. Noack, W. H. Birdwell, Fred Palmer, Bob Hale, W. T. Ramsel, E. I. Wade, R. P. Bartlett, J. F. Wills, H. H. Groneman, Oxsheer Smith, H. T. Coulter, Henry Davis, and Mr. Carrington.

The oil fraternity was well represented and an enthusiastic meeting was held, with a feeling of confidence in the success of the association.—Rockdale Reporter.

Sharpe's Chickens
Win Again In Egg
Laying Contest

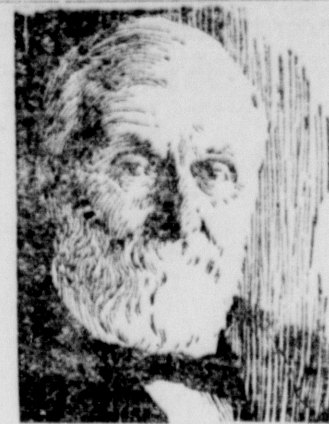

Raymond Sharpe's White Leghorn hens are record breakers. They won again in the month of February by taking first and second places in the Egg Laying Contest with records of 236 and 232 eggs, respectively, also winning highest individual honors with records of 28, 27 and 26 eggs.

The records Mr. Sharpe's hens have made in the past and their continued good record goes to show he has the laying quality bred in his flock.

We understand he is asking a very low price for the quality he gives.

Women Need
a Mild Laxative
—Not a "Physic"

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves to avoid sick headache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach.

They have found that Dr. Caldwell's Syrup Pepsin helps to establish natural bowel "regularity" even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most delicate girl or woman. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly

takes it. Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

"How can they build a car so fine for such a moderate price," an interesting customer asked.

The secret is large production induced by large sales to the people who find in HUDSON-ESSEX something in motor car value not given by any other automobile in the world.

MINOR ILLS

Dizziness, Bilioussness, Colds and Others, Relieved by Black-Draught.

"I used to be bothered with dizzy spells," says Mr. Andy Parker, Route 4, Fort Payne, Ala., "and would get to feeling tired and my feet were heavy."

"I had a bad taste in my mouth. My eyes would burn. Then, pretty soon, I would have a mean headache."

"Someone told me about Black-Draught. I began taking it, and it helped me."

"Black-Draught has been our main medicine in the house now, for about twenty-five years. We take it for bilioussness, colds and almost all minor ills. It's the first thing my folks and I think of taking, when we feel bad. We recommend it very highly."

J. W. Ford of Milano was in Cameron Monday and while here subscribed for The Herald. He is 83 years old and a Confederate veteran. He has been in Texas 49 years. Mr. Ford has not been a reader of The Herald for a number of years. He had an interesting and exciting career in the Confederate army. He was born in Chattanooga, Tennessee. He was assigned to the command of Gen. Early who made the ill fated attempt on Washington City. Mr. Ford was captured within 20 miles of the capital in 1864 and when the war was over in 1865 was released from prison.

Recently Mr. Ford fell at his home and sustained a broken rib which is giving him considerable pain. He spent the day at home alone the day of his injury bearing the pain. His endurance has brought him out of the injury and he is now able to be up about the place, coming to town when he feels inclined.
